REGULATIONS FOR EXHIBITORS

1. Entries must be submitted via the following means:
 - A. Online [Online Entry Form](#)
Entries via the online form will close 31st August.
 - B. Paper or electronic form provided in the schedule and must be received not later than Friday 31st August by the Show Secretary:
Roman Wesolowski
107 Cartland Rd.
Stirchley
Birmingham, B30 1LL.
Email: Honey_Show.birmingham@wbka.org.uk.
 - C. Entries in person will close 6th September at 1800hrs.
If entries are received after 31st August, the labels can only be collected during delivery of exhibits at the venue or in person.
2. Exhibits must be delivered to the venue between 1600 and 1800 hours on Friday 6th September.
3. Exhibitors must make sure that they have entered the correct class as we will be unable to make amendments once you receive your labels.
4. Exhibitors may not enter more than two exhibits in any one class and no single exhibit may be shown in more than one class. Any exhibitor shall not be entitled to more than one award in any class. Exhibitors may, of course, enter all relevant classes, with 1 or 2 entries.
5. Exhibitors must be members of the BBKA in an appropriate category.
6. Novice Class 1-3 – restricted to beekeepers who have not won a first prize in a honey class at any open show or more than three first prizes in a branch show.
7. Every article exhibited must be the bona fide property of the exhibitor, at the time of gathering, from bees tended by the exhibitor. All honey and wax must have been produced from flowers by bees in the natural way.
8. Extracted honey must be exhibited in standard 454g squat jars (with the exception of Class 21 and 23) of clear glass with metal screw lids (gold colour). Weight will be assessed by the NHS volumetric method and colour will be graded with BD grading glasses.
9. Mead must be exhibited in a clear glass wine bottle(s) without decoration or fluting and closed with a cork stopper with a white plastic flange (with the exception of Class 23).
10. Gift honey will become B&DBKA property upon entry and must be accompanied by a label suitable for sale enclosed in an envelope, marked with an entry number label. Exhibitor may choose to buy back their honey at a cost of £10 which must be paid for when entering. Gift honey and/or proceeds of buy back will be donated to St Mary's Hospice.
11. Cut comb to be presented in clear see-through containers.
12. Frame for extraction must be presented in a bee-proof container. It is the exhibitor's responsibility to ensure the container is properly sealed and failure to do so will see the

exhibit removed and disqualified from the competition.

13. The Judges have the power to reduce the value of or withhold all prizes where they consider exhibits are deficient in merit.
14. The Judge's decision is final.
15. Points will be awarded for trophies as follows:
 - 1st – 6 points, 2nd – 5 points, 3rd – 4 points
 - Very highly commended – 3 points,
 - Highly commended – 2 points
 - Commended – 1 point
16. All ordinary care will be taken of exhibits but the Committee will not be responsible in any circumstances for loss or damage sustained by the exhibitors in any way whatsoever.
17. Photograph. Black and white or colour print mounted on A4 card of any colour. May be titled (this to be attached to the mount above the photo) and the entry label to be affixed at the front, in the bottom righthand corner of the mount.
18. Prize giving at 1400 hours on Sunday 8th September.
19. **Labelling** of jars and bottles to 20mm from bottom of container to lower edge of label. Class 8 one label to the righthand corner on each of the see through lids. Class 13 one label on top of frame and the other top righthand corner of display case. Class 9 attach label to lower edge of candle, if this does not cause a fire risk or on the holders. Class 16 as per regulation 17. Class 21 the six entry labels should be affixed to the rear of the jars. On staging, the first jar should be turned so that its class label is to the front. Where exhibits are displayed on a plate and covered in a polythene bag one label should be affixed to the front of the plate, clearly visible and not obscured by the exhibit and the other label should be placed on the polythene bag in the top righthand corner of the bag.
20. Composite Attractive Display Guidance

The base size of the display not to exceed 18 inches square (46cm) and may be of any reasonable height consistent with stability and safety.

Four constituent items for display to be chosen from the list of seven as follows:

- a. A container of liquid honey

BBKA Blue Ribbon awarded by Judge for best in show (dependent on number of entries)

Note: The definition of a novice is an entrant who has not won a first prize in the Honey Classes at an Open Honey Show or more than three first prizes in a branch show.

Honey Cake Recipe: 140g Butter, 168g Clear Honey, 1 tablespoon of water, 112g soft brown sugar, 2 eggs, 196g self-raising flour. Oven temperature 180⁰ C or 350⁰F or Gas Mark 4.

Method: Place butter, sugar, honey and water into a saucepan and heat until the fat has melted, stirring all the time. When fat is melted remove pan from heat and allow contents to cool to blood temperature. Gradually beat in the eggs. Add sieved flour and mix until smooth. Do not over mix. Pour mixture into greased and lined 180mm (7") cake tin and bake for 1 hour or until risen and firm to the touch.

Advice for filling your honey jars ready for exhibiting

Fill your jar to the fill line – there should be no air gap between the top of the honey and the bottom of the lid.

A few exhibits are marked down by the judge because of incipient granulation. Exhibitors are advised to use a torch to ensure clarity of the exhibit.
